The screenshot shows the Twitch plugin configuration interface. At the top, the server name "mojo's community" is visible, along with navigation tabs for "PLUGINS", "LEADERBOARD", "SETTINGS", and "PREMIUM". The Twitch plugin is currently active, as indicated by the Twitch icon and the text "TWITCH" on the left, and a "Disable" button on the right.

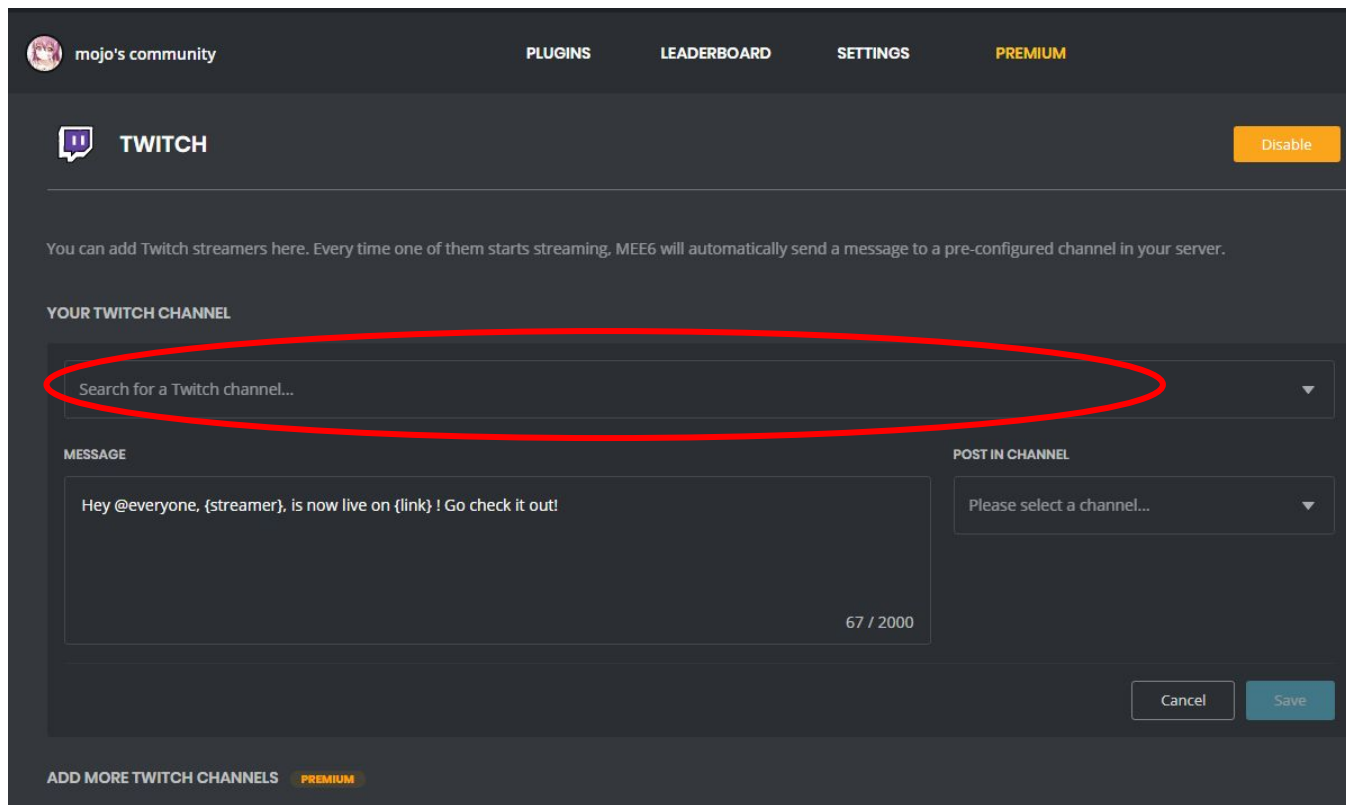

Below the header, a descriptive text states: "You can add Twitch streamers here. Every time one of them starts streaming, MEE6 will automatically send a message to a pre-configured channel in your server."

The main configuration area is titled "YOUR TWITCH CHANNEL" and contains the following elements:

- A search input field with the placeholder text "Search for a Twitch channel..." and a dropdown arrow.
- A "MESSAGE" section with a text area containing the message: "Hey @everyone, {streamer}, is now live on {link} ! Go check it out!". A character count "67 / 2000" is shown at the bottom right of the text area.
- A "POST IN CHANNEL" section with a dropdown menu labeled "Please select a channel..." and a dropdown arrow.
- "Cancel" and "Save" buttons at the bottom right of the configuration area.

At the bottom of the page, there is a link "ADD MORE TWITCH CHANNELS" followed by a "PREMIUM" badge.

The screenshot shows the MEE6 configuration interface for Twitch. At the top left is the Twitch logo and the word "TWITCH". At the top right is a yellow "Disable" button. Below this is a descriptive text: "You can add Twitch streamers here. Every time one of them starts streaming, MEE6 will automatically send a message to a pre-configured channel in your server."

The section "YOUR TWITCH CHANNEL" contains a list of channels. The first channel is "十鳥すすり" (10tori susuri) with 4,485 followers. Below the channel list are two input fields: "MESSAGE" and "POST IN CHANNEL".

The "MESSAGE" field contains the text: "Hey @everyone, {streamer}, is now live on {link}! Go check it out!". The character count "67 / 2000" is visible at the bottom right of this field.

The "POST IN CHANNEL" field is a dropdown menu currently set to "# general" under the category "TEXT CHANNELS".

At the bottom right of the configuration area, there are two buttons: "Cancel" and "Save". The "Save" button is highlighted with a red circle.

At the bottom left of the interface, there is a link "ADD MORE TWITCH CHANNELS" with a "PREMIUM" badge next to it.
